## LEADING THE WAY

United Way of Eastern  
Frontier Country

Meet Lisa and Henry. Lisa used to love taking Henry to the local library, however her work schedule made it where she did not always have time to take Henry to check out books. She struggled to find a way to get Henry access to free books, until she learned about Dolly Parton's Imagination Library, a book gifting program that mails free, high-quality books to children from birth to age five, no matter their family's income. Through this program Henry has fell in love with reading. Lisa is **Leading the Way** by telling other mothers she knows about this opportunity so their child can also learn to love to read.

Lisa and Henry are just one of thousands of people who have benefited from Dolly Parton's Imagination Library... and the impact doesn't stop there. United Way partners with **21 nonprofits** in the areas of Basic Needs, Youth Success, and Strong Families. Our approach to impact is intentional: we listen, ask questions, analyze data and measure outcomes. Utilizing that information, we invest in our community's most pressing issues. By participating in this year's campaign, you are making a difference right here in **Pottawatomie, Seminole, Lincoln, and Hughes counties**. That's the beauty of supporting United Way; it's personal. Your gift impacts people you know and care about at a time when the need is greater than ever.
